

ADVANCED LASER

Looking good from head to toe

Putting your best face forward has never been easier thanks to the medical expertise of Dr. Robert Rossio, who owns and operates Advanced Laser Clinics, a Beachwood franchise that specializes in hair removal and other non-invasive cosmetic techniques.

Dr. Rossio, a highly skilled plastic surgeon who recently completed a 20-year career with the Air Force, brings considerable medical expertise to the Clinic. He offers Botox, microdermabrasion and facial peels. He also provides Restylane injections, a tissue-tailored facial augmentation that offers a natural beauty lift using the body's own material.

"Our goal is to enhance the personal well-being, confidence and self-esteem of our patients in a safe, professional and ethical environment," says Rossio. "Our patients are delighted with skin-rejuvenation, reduction of unwanted hair,

Dr. Robert Rossio

and happily say goodbye to blemishes, wrinkles and uneven skin tones."

Advanced Laser Clinics of Beachwood provides patients with laser hair removal treatments and exclusive LightPulse® combination skin renewal

therapy. The end result is a natural more youthful you.

"This means no more shaving, tweezing or waxing," notes Rossio. "This procedure can be used on the upper lip, chin, bikini area, back, shoulders, underarms, abdomen, arms and legs."
